EARLY CHILDHOOD: THE KEYS TO THE FUTURE

Register for the 2018 Annual Conference by Sept. 15th!

We are proud to continue provide early childhood educators from across the state with this unique opportunity for training, networking, recharging, and supporting each other in their important work. We believe the keys to success are forged in early childhood. Come and join us in October and help us continue to unlock the potential of the youngest students in South Carolina.

Keynote presentations from NAEYC Deputy Executive Director Marica Cox Mitchell and SCAEEYC Board member and author Michelle Salcedo.

Door prize opportunities and onsite lunch provided with registration!
